Nr. 4 – July, 2009

Dear Presidents
Dear Zontians of District 28

In the middle of summer holiday time, I send this letter to you to remind you of the coming District Conference in Frankfurt. Thanks to all of you who have already sent their credentials (or their proxies). The other ones I ask to please forward the form soon.

Please take care that your club dues for 2008-09 are paid to 1) Zonta International, 2) to the District 28 and 3) to your Area. Also your official membership list as well as the Officers' Report must be returned to ZI. Only then is your club considered to be in good standing which is the essential prerequisite for getting the credentials.

Together with this letter I am sending the Financial Report 2006-2008 as well as the Budgets 2008-2010 and 2010-2012. You will also find a proposal of the District Board as to the use of the surplus of previous years. Please study these documents carefully before the Conference.

A second mailing will include the Rules of Procedure and the Reimbursement Guidelines.

I am looking forward to seeing you all in Frankfurt soon!
With Zontian regards,

Regula
